Special Notice

"My ASRS Home Page" debuts on-line!

The ASRS is pleased to introduce "My ASRS Home Page," a new enhancement to our website that allows members to create their own log-in to view their latest annual Member Statement and other information on file.

Each year, the ASRS sends by mail a Member Statement, which summarizes your benefits, including years of service, account balance and an estimate of your pension benefit.

Now, members may view their latest statement online at any time. My ASRS Home Page is the latest enhancement to the ASRS website. Future improvements will include the ability to view up-to-date account information and obtain individualized benefit estimates.

Members are invited to visit the ASRS website – www.azasrs.gov – and initiate the process of creating their log in on a secure-access portion of the website.

On the ASRS main page, members will see spaces for an ASRS ID and Password. These fields will be created by the member. There's also a User's Guide to Online Registration to help you through the process.

The registration process is initiated by a click on "Register here," after which members will be walked through the process with on-line instructions.

Members – active, inactive or retired – can begin the process at any time.
